

Dear Member,

Hard to believe a year has passed since Nexus Community Savings joined Alterna Savings and Credit Union Limited (Alterna!) From the get-go, we strived to bring you market-leading rates for mortgages, term deposits and investment shares so that you can start enjoying the benefits of belonging to one of Canada's top 10 credit unions without delay. We are looking forward to providing you access to many new products and services once we integrate onto a single banking system platform later this year. More to come on this topic over the next few months.

In the meantime, we are excited to introduce our first of many new offerings to you—our selection of **eight personal Alterna Visa* Cards** and **three Alterna Visa* business cards**.

Nexus branches are now offering Alterna Visa* Credit Cards with market-leading rates, rewards, and unique features like mobile device insurance. This new suite of Visa credit cards offers no fee, lower rate, and travel card options – making it easy to find one that fits your individual needs! There are also three new Alterna Visa* Business Cards to choose from which offer business members a smart way to handle all business purchases.

Visit a Nexus branch or apply online at www.tccu.ca, today.

Thank you for your membership and stay tuned for more information as we move in a new direction together.

Regards,

Rob Paterson
President and Chief Executive Officer
